

The World Health Organization (WHO) on March 11, 2020 officially declared COVID-19 as a pandemic. This declaration may cause stress, anxiety, and possible hysteria. As children of God we will trust in God and not fear. We pray to God for His intervention on the behalf of humanity to stop the spread of this virus globally.

The Canada District Council, Inc. are ready to adhere to any restrictions imposed by local health agencies and will respond to government regulations by keeping our members informed.

The Canada District Council, Inc. strongly encourages members to adhere to the preventative measures as outlined in the COVID-19 presentation such as:

- Avoid going out in public when you are sick, having symptoms of fever, new or worsening cough, runny nose, and shortness of breath
- Avoid touching your face
- Clean your hands often with soap and water (20 seconds) or with hand sanitizer
- Avoid close contact with those who are sick and be mindful of your surroundings
- Stay informed by visiting reputable health agency websites, i.e. WHO, Ministry of Health. Ontario.
